

# Veterans shaped our past, and they shape our future.

Veterans are the backbone of communities across America. No matter when you served, your response to the 2020 Census will play a part in shaping our future.

Responses to the 2020 Census will determine how more than \$675 billion in federal funds is distributed annually for the next 10 years. That money is used for education and public services like parks, public transportation, health care, emergency services, and more.
